Grandin Shoppers Park Gets Councils Go Ahead

Town Council Monday night moved quickly through a rather heavy agenda. Adjournment came up at 10:35 p.m. despite some heady problems, heated discussions, colorful committee reports and four public appointments.

N. Witten, spokesman for Grandin Shoppers Park asked Council to release replat registrations in order to obtain title and proceed with the development of the remaining 40,000 square feet, left undeveloped in the complex. Mr. Witten also assured council that the developer shall deposit the required \$31,000 sum in trust and comply with town recommendations. Mr. Witten explained to council that his client, Grandin Shoppers Park had a lessee for the undeveloped area and, "we're very anxious to obtain the town's approval of this replat in order to proceed with development."

Mayor Gibson made the motion to approve the replat subject to the terms specified by the developer including terms to be negotiated by the developer and the town's solicitor. The vote came out 6-1 and was carried. Councillor Lukay was opposed.

By previous appointment Neville Bothwell of BACM registered objection to a recent change in off-site costs from \$198 per single family dwelling to \$500 involving 48 lots in the Phase 1 of the development agreement in Lacombe Park. Councillor Hudson made the motion that council proceeds with the development agreement subject to an amendment whereby the described 48 lots remain subject to the previously agreed off-site cost scale of \$198. Motion was carried.

Bylaw 17/72 was given second reading. This bylaw deals with "no parking" on Ball Avenue effective June 1st. Council instructed secretary-treasurer O'Connell that the residents living along Ball Avenue be advised of the bylaw, and given an opportunity to appear before council at the next regular meeting. Motion was carried.

Gerald Samuel, vice-president of Ridgewood Terrace Condominium Corp., asked council for permission to proceed with plans to enlarge premises now being used as a meeting centre and storage facility for the condominium complex. Mr. Samuel explained to council that present facilities were not adequate and would like

to suggest that the present meeting centre be enlarged and storage facilities be built at one of four proposed

sites within the complex. Council concurred with Mr.

Pre-Cast Concrete firm obtains St. Albert site

Council Monday unanimously approved an application by N. A. Meneley of Weston Construction Products to purchase 5 1/2 acres of land referred to as the Roraph Property in the Lakeview Industrial area of St. Albert. A letter from the Edmonton Regional Planning Commission, signed by Mr. J. K. Woodroffe, senior planner, dated March 29th, 1972 recommends to council that Weston's plans comply with ERPC standards. In his letter, Mr. Woodroffe says, "I feel that this development would be harmonious with its proposed location."

Spokesman for Weston Construction Products, a Calgary firm, explained to council at the April 10th committee meeting that his firm wishes to develop the 5 1/2 acre site in two phases over a period of about five years. The first phase involving a capital outlay of about \$400,000 will go toward erecting a 8,000 square

foot plant where pre-cast concrete products would be manufactured. Mr. Meneley explained that his firm manufactures concrete steps, septic tanks, sidewalks and the such.

Concerned with the dust factor from the plant and the possibility of the site lacking in aesthetics, Mr. Meneley assured council that there would be no dust effluence from the plant and added that his firm will screen-fence the property in order to hide unsightly stock piles of finished products.

Another firm, Atlas Aluminum Products Ltd. indicated some interest in the Roraph Property at the April 10th committee meeting. Since Weston's application was approved council agreed unanimously Monday night that it will make every attempt to assist Atlas Aluminum find a suitable site 175 ft. x 200 ft. in St. Albert.

Weston proposes to start building within 30 days.

Gary Waunch, 12 year old son of Norman and Sadie Waunch of 40 Belmont Drive, St. Albert, won first place in the Western Provincial Championship Bowling. Gary started with 375 in his first game at Bonnie Doon Lanes last Sunday and ended up with 965 to win the gold medallion, a plaque and a crest. Shown in his right hand is another trophy he won, this award is for high singles in the Tuesday night league here at Grandin. Congratulations Gary!

Air Cadet parade will open annual Parent night program

The air cadets of St. Albert have a full evening planned for their annual Parent night to be held Thursday, April 20.

The activities get under way at 6:15 sharp, when the squadron, led by the prize winning band and the color party, leave Grandin Shoppers Park and parade to the Community Hall. On arrival at the hall the band will display their talents in a short marching presentation created for the parents.

At this point the cadets take command of the entire proceedings for the evening, starting with a banquet that has become a very popular annual event in St. Albert. Under the command of Warrant Officer Hamilton, the cadets together with the recently formed group of Cadettes will direct the activities which will be highlighted by their special guest speaker.

Vera Dowling's talk will be of extra special interest to both the cadets and cadettes. She was formerly a ferry pilot with the Air Transport Ferry Command and is presently instructing in aviation at NATI. The evening will be culminated with displays of cadet activities.

Those attending the banquet are reminded that there will be restricted parking on Perron street and are requested to be at the Community Hall by 6:30 a.m. All parents and sponsors are urged to attend this function.

Skaters Pass Tests

Fourteen St. Albert youngsters have passed the Canadian Figure Skating Association tests. Here they are:

SECOND FIGURE TEST: Joanne Hunt, FIRST FIGURE TEST: Sue Pavellich, Heather Tomlinson.

PRELIMINARY FIGURE TEST: Belinda Moore, Beth Heuermann, Bob Pavellich, Lynda Matear, Kathy Husband, Vivian Blackburn, Avril Bradley, Sue Pavellich, Heather Tomlinson, Donna Wilson, Cindy Reinbold.

Well over 100 junior skaters have been taking National skating tests at various times throughout the season. These tests lead to CFA tests. Results have been excellent.

Congratulations to Mary-Jean Henderson, professional instructor.

Big Karate Display coming to St. Albert

Boys of the Landing Trail Scouts and Cubs will be treated to a fantastic display of Japanese Karate by a large group of the Edmonton karate school, at a special program being held in the Vital Grandin school gym on April 26. Leader Art Barnes, who is making the arrangements, expects

that the boys and their fathers will take up most of the gym's capacity for this demonstration, but there should be some places available for members of the public. There is a considerable and growing interest in Karate and the evening promises to be a highly entertaining one.

Breached Feeder Oil Line Errupts Into Carrot Creek

A major oil spill on Carrot Creek could have created havoc in the area and polluted Big Lake had it not been for the quick action of Amoco Canada Petroleum Co. Ltd., of Edmonton, owners of the oil line.

Experts believe the break in the single flowing feeder line, which crosses Carrot Creek burst sometime Sunday April 9. Amoco workmen discovered the spill Monday and immediately sounded the alarm. Bill

Mack, Amoco field supervisor rushed in 40 crewmen with equipment to deal with the break which had already spewed between 75 and 100 barrels of oil into the creek.

While the breached pipe-

line was halted by means of two stop-valves, crews of workmen battled the spill around the clock with bull dozers, straw booms and pumps. The gungy film on Carrot Creek skimmed off and carted away to a dump for burning. The straw booms kept the spill contained in a relatively small area of the creek while clean-up operations continue.

Ernie Jamison, MLA for St. Albert and Don Hayden, president of the St. Albert Fish and Game Association cruised the entire area Sunday, April 16 and found the situation under control. Both, Mr. Jamison and Mr. Hayden are satisfied that the spill will have no adverse effects.

It has been estimated the daily cost of dealing with the oil spill will be in the neighborhood of \$4,000 considering the 40 workers, equipment and capital expenses. Mr. Mack told Mr. Jamison that once the entire environment has been cleaned up, there will be no visible evidence of a spill ever having occurred and the feeder line will be repaired.

It's a messy job to clean up after a major oil spill but the Amoco crew shown above ignore the cold mucky Carrot Creek waters while skimming off the oil from the surface. At this stage, the job is still not completed since the crewmen will not leave the scene until the entire area is clean and free of any sign of an oil spill. Even the trees will be hosed down.

Town Council

Continued from page 1.

Samuel's presentation and asked that final plans be shown to council once the Ridgewood Terrace Committee approves a plan for the project.

Councillor Hudson gave a brief and colorful report on his findings regarding a new land-fill site for St. Albert. After explaining the opposition he received while investigating the site at the Alfalfa Plant, he recommended that council turn the question over to the Local Authorities Board. The motion was carried, with a proviso that the MD of Sturgeon be notified.

The sale of Lot 44 on Balmoral Drive for \$5,370 including off-site costs brought about an active period of discussion. Finally, when the motion was made, five councillors voted in favor while Councillor Thordson and Mayor Gibson cast dissenting votes.

Swimming pool rates were studied from a recommendation submitted by the recreation co-ordinator Mrs.

Rene Laird. The new rates as proposed by the report were felt to be too high and council approved a motion that last year's rates be retained. Councillors Hudson and Luky voted against the motion.

In her submission, recreation co-ordinator Rene Laird pointed out that the proposed new fee structure was based on attaining the objective for the pool of maximum use while attempting to eliminate abuse. She also pointed out in her report that the new fee structure would partly cover increased labor and material costs. Council admitted that the pool last year had operated at a net deficit of about \$4,000 and of course, this figure does not include depreciable costs of about another \$9,000. Despite this information, the proposed new price structure was turned down. As Councillor Bakker put it, "let's not deny the pool — it's not a facility for only the rich."

Around Town

Three year old Neela Johnson of Springfield Crescent says "thank you" to those exceptionally considerate boys who brought her home, piggy-back from Grandin Shoppers Park recently. What actually happened, Neela was out shopping with her mother and thought 'mummy' had left her when she saw a car drive off which looked like the family car. Neela did the only thing a lady in distress can do

and that's sit down on available steps and cry. It was at this juncture that the young heroes, estimated to be about 15 years old came to the young lady's rescue. They hoisted Neela piggy-back and brought her home. When Mrs. Johnson realized that her daughter was missing from the shopper's mall she immediately drove home to find her daughter. Both Neela and Mrs. Johnson say a sincere "thank you" to those exceptionally great guys.

Court of Revision Hears Ten Appeals

Ten complaints were dealt with at the Court of Revision held recently. Present were Mayor Gibson, who acted as chairman and councillors Bakker, deBruijn and Luky. Assessors in attendance were A. Brittain and R. Murray of the Department of Municipal Affairs. Court clerk was Mrs. M. Lovatt who also served as recording secretary.

Silver Schoen of 10 Green-wich Crescent was present to make an appeal against an increased assessment of \$150 while he only spent a total of \$78 on improvements. The assessor explained that the manual sets out a basic price of \$100 for a shower and \$85 for plumbing fixtures and this is what the assessor must apply. The appellant was also told that in his last assessment, rough-in plumbing in his basement had not been included. The court of revision ruled that the assessment be upheld.

Another assessment was upheld by the Court of Revision, this one dealt with Alfred Wyskocil of 150 Sturgeon Rd. Mr. Wyskocil had not realized that the dog kennels on his property were included in the improvement assessment figure of \$10,810, while \$2,110 is for the kennels.

Thomas White of 24 Genhaven Crescent appealed his improvement assessment. The assessor reviewed the case and couldn't find an error. The assessment was upheld.

The Court reserved its

Fashion Show at Simpson

A special kind of Fashion Show is coming to Sir George Simpson school on Thursday afternoon. The fashions are chosen to show the relationship between an individual's personality and the type of clothes he or she wears.

Entitled "Sew, Yin, Yang," the show will be presented in the assembly area at 3:30 in the afternoon, by a well-known pattern company, The Home Economics Club at the school invites parents and friends of the students to attend on April 20th.

decision until regulations are checked in the case of Michael Osadchuk owner of two quarter sections of land located near St. Albert. Mr. Osadchuk told the hearing that he does not receive town services, his children had not been educated in St. Albert because of no bus service at the time. He also complained about a ditch near his farm which is causing problems. On the strength of these points Mr. Osadchuk felt that his land assessment was too high and informed the Court that in Edmonton, farmers like him are exempt. A full discussion took place and the feelings were that the assessment was correct. However, the Court of Revision asked that the town engineer investigate the ditch and asked the assessor to check into the procedure for exempting farm property in incorporated areas.

Paul Stata of 6 Brentwood Place pointed out to the Court an error in his assessment. The assessor agreed that a mechanical error had occurred and the Court of Revision ruled that Mr. Stata's assessment be adjusted from \$2,580 to \$2,330.

Charles Wharton of 32 Lambert Crescent was being assessed for a china cabinet in his home which he never had. The assessor explained that plans of the house had been altered and a china cabinet was never installed. The Court ruled that the assessment be lowered by \$80.

The assessment on Rene Morrisette's property at 38 Gordon Crescent was upheld despite the owner's complaint against the increase in assessment because of an addition of a garage to his property. The assessor explained that the partly finished garage had been assessed as a shell only.

Richard Plain of 39 Bellevue Crescent complained about his land assessment in relation to two major points. First, Mr. Plain complained of the loss of privacy resulting from pedestrian and animal traffic from Ridgewood Terrace Drainage was the second problem linked with a 20-foot cut made by AGT against the back of his property. Mr. Plain said that this situation creates the problem of people using his property as a cut-through. He concluded by saying that

a swale would ease the flooding problem. The Court of Revision upheld the assessment however the other problems would be brought before council.

An appeal was received from BACM regarding land in the Lacombe Park subdivision designated for a school. BACM felt the assessment was incorrect and too high. The Court ruled that the assessment remain unchanged.

Richard Petersen of 2 Beacon Crescent complained of the wide differential

in assessment from \$3080 to \$7700. The assessor explained that the lesser figure was for the year 1971 and just a partial assessment. This year, with the house completed the assessment was altered accordingly. The assessor, however, explained to the Court that the Richard Peterson property had a serious driveway problem and recommended a 20 per cent reduction. The Court concurred with the recommendation thus changing the assessment from \$7700 to \$7390.

Don't miss "Superstar" showing in St. Albert twice this week-end

On Friday, April 21st and Saturday, April 22nd at 8:30 p.m., the St. Albert High School's Pitch and Spice singers will present a complete production of Jesus Christ Superstar, plus other selections, at the St. Albert Catholic Church. Tickets are available at Sweetheart Jewellers, Grandin Shoppers Park or any choir member for \$1.50, and at the door for \$1.75.

The 170 voices, conducted by Father U. Duchesneau, have worked untold hours for months in order to offer a professional production to the public, and deserve a great deal of support.

The group was formed about five years ago, with a handful of students, very little equipment, and a great

deal of determination. Today, through hard work, a love of music, and a lot of fun, they are one hundred and seventy strong, with an instrumental section comprised of electric guitars, bass, drums, trumpets, electric organ and piano, a full range of amplifying equipment and an audio-visual projector.

They are sided by hard working students and adults, and have been encouraged by enthusiastic audiences in Vermillion, St. Paul, Cold Lake, Bonnyville, St. Albert and at many benefit performances. They also formed the choral background for the "Privilege" and the Edmonton Symphony Orchestra last October in a production of the rock opera "Super-

star" at the Kinsmen Field House and the Calgary Stampede Corral.

The boys and girls ranging from grades eight to twelve, are also very involved in their high school sports activities, and community and summer projects. Camp Lacombe, Holiday Community Volunteers (HCV) and the Teen Centre are high on their list.

For the past four months, no one has worked harder, or put in longer hours than Father Duchesneau, St. Albert Citizen of the Year, 1971-72. He not only works with the Pitch and Spice, but teaches at the high school and performs parish duties. He is taking his group to Grande Prairie for performances on May 6 and 7, and has received overwhelming support from the citizens and students alike. They have guaranteed full houses both nights.

Remember the dates in St. Albert - Friday and Saturday evenings at the Church at 8:30 p.m. Get your tickets early!

For The Record

The original plans of the parents, teachers and students involved in the project to send some 20 students to Laval University in Quebec this summer have changed in some respects. Financial assistance that was originally expected has not come through, by way of Federal Government and District 6 grants as reported in the March 1st Gazette. In addition the number of students prepared to go has been reduced to fifteen. The school, parents group and students involved are therefore looking at alternative ways of financing the trip, and are still hopeful that they will be able to manage it. Current rumors that the Town of St. Albert was approached for a grant for this project are entirely without foundation.

Local Fan is now turned off on sports

The Editor:

For years I've heard "well, that's hockey" or "that's soccer" or "that's the game," and you tell your children the important thing when participating is that you know within yourself that you have done your best, win or lose. We have always encouraged our family to be active in sports as it is conducive to healthy bodies, helps to gain self-confidence and allows a feeling of comradeship that is so important to growing.

However, over the years there have been incidences that "kick the young people in the guts" — turning them away from sports, taking away the enthusiasm to compete and when these things happen it takes away a feeling of respect for those in charge because these feelings are not brought forth by the opposing teams but BY THE ADULTS IN CHARGE. If there is any one thing I have learned in raising a family or working with children is that THEY have a very strong sense of fair play and when adults allow injustice and leave the following questions unanswered to the young — How can these things happen? — What's the sense of trying? Why play? — I, too, am turned off.

There have been many incidences but the playoff game in the juvenile division in Leduc last week has prompted me to write this "BEEF." I have never heard of a game being called before the buzzer has sounded, plus many other injustices throughout the game. Comments that have come back — "You would have to have been there to believe it" — "It's unreal" — "After that game I don't care to ever attend another" — "Unbelievable, I don't even want to discuss it." Apparently, even some of the Leduc

fans were overheard to say what a way to win a game.

If there is nothing that can be done about that particular game let's hope that something can be done so that this type of injustice can never happen to another team regardless which town they may represent. LET'S KEEP OUR YOUNG "TURNED ON" WITH SPORTS!!!

Mrs. Evelyn Ferguson.

The Editor:

The students and staff of Vital Grandin School wish to express their appreciation to the people of St. Albert for their participation in the "Flea Market." A special "thank you" is extended to the many parents who assisted in the preparations for the eventful evening.

The contributions and attendance by parents, made the evening a social as well as financial success. Final tabulations are not complete,

however, it would appear that the amount to be forwarded to the South American Local Projects will be substantial.

Many thanks to the Gazette and the people of St. Albert for your active interest in the projects of the students at Vital Grandin School.

Council Studies Budget Guidelines

At a special committee of the whole meeting held April 11th, councillors Lukay, Bakker, de Bruijn, and Thordson discussed guidelines which would be considered while preparing a new budget for the year.

Councillor J. Bakker acted as chairman. The meeting was called especially to discuss a budget strategy report submitted by Councillor Bakker and circulated in contained an analysis of

expenditures and revenues over the past 10 years in terms of mills. It also dealt with a study of capital borrowing and an estimate of assessment increases over the next few years.

The Bakker report provoked discussion on transportation, rapid transit and interurban facilities.

Secretary-treasurer O'Connell said that when the current budget is presented for council to study, policy

recommendations would be made at the same time with attention given to both long and short term effects.

At Monday's meeting, Councillor Bakker asked Mr. O'Connell when council could expect a draft of the new budget. He was informed, "before the end of April."

Eleven members of the St. Albert Women's Institute attended the WI Constituency Conference held last Saturday at Ellerslie, in the elementary and junior high school. In all 75 ladies were present from the Edmonton-Victoria constituency.

Vera Holt of Sanguedo was district director, Agnes Richardson and Doris Sumner, both of St. Albert, were district director and constituency convener respectively. Lois Folkens of St. Albert and Lillian Usher, home economist with the provincial department of agriculture, judged the handicraft competition.

Curling trophies presented at banquet and dance

The annual wind-up dinner dance and awards presentation program for the St. Albert Curling Club was held Friday evening at the Club Mocombo, when club manager Art McCormack reports approximately 300 members and guests attended. Bob Hudson as capable emcee was in extremely good form and his rapid-fire wit added immensely to the evening. Special guests were Mayor Ray Gibbon and Al Williams, president-elect of the Alberta Curling Association.

Lady curlers' awards went to the Pearl Quintal rink, club champions, and the Marilyn Reed foursome, Zone winners who represented the club in the northern Alberta playdowns.

The Mary Porowski rink were mixed curling champions, and represented the club in the northern Alberta mixed playdowns.

It is interesting to note that St. Albert teams won three of the six zones allotted to Edmonton, out of 16 in northern Alberta who compete for the MacDonald Brier. They were the Hec Gervais, Roger Comeau and Tom Reed rinks.

In the 48-rink square draw events, trophies were awarded to Tom Proctor's rink - A section winners; Al Mitchell's rink - B section; Lloyd Bryant's rink - C section and Barry Weaver's rink - D section.

Mixed league winners were the Lloyd Bryant rink for Saturday A, Bob Ryley rink for Saturday B; Bruce York rink, Wednesday league.

and Jack Jeffries rink for Sunday league. These were declared on the basis of regular league play.

Overall mixed champions, as determined by playdowns, were the Lloyd Bryant rink. This was a notable performance in that Lloyd had his

wife, his son and his daughter on his team and they chalked a remarkable record through 23 games, with 20 wins and three ties.

Lane Bryant's rink and Marie Van Tighen's represented St. Albert in the School-boy and School-girl playdowns.

Two win Nu-West awards

Seated at the banquet held last Friday evening at the Nu-West Construction Company convention in the Banff Springs Hotel, Denis Slater and his wife got a terrific surprise when Denis was named a major award winner. "I almost jumped out of my chair," said Mrs. Slater, of 63 Greenbrier Crescent.

Denis won the Superintendent of the Year award for the firm's construction contract division. The "low cost housing" project in Don Castledowns, Edmonton, which came under Mr. Slater's management, was the award winning project.

Worried taxpayer: "I've saved the money to pay my income tax -- now all I have to do is borrow some to live on."

It's a crazy world we live in. Turkeys are dressed and actors aren't.

Capacity crowds enjoy excellent carnival

Mary-Jean Henderson's delightful solo to the music of 'Downtown' led off a thoroughly enjoyable carnival, and one of the most smoothly run we have ever been privileged to attend.

The performances by skaters from beginners to senior level drew warm response from the audience, and a great many St. Albert residents have called the Gazette this week to comment on what an extremely fine carnival the St. Albert Figure Skating Club put on. One woman said she had overheard a conversation when one of the organizers was asked how much work was put into it. The reply was about 10,000 hours in total by the many people who assisted in one way or another.

Unfortunately Jo-Anne Hunt was unable to do her solo, due to a foot injury. The solo by Bob Pavellch drew a big hand, as did the

magic dragon routine presented by six guest skaters from the Morinville club.

'Downtown 72' started on time, no number was too long, and the show ran without any dragged out spots whatsoever and finished promptly in an hour and a half. Which meant that behind the scenes the organization had been terrific! And how extremely fortunate the club was to have Deborah-Lynn Paul come back to her hometown for the event. Her beautiful and accomplished solo performance was a joy to behold and a perfect finish to conclude a most successful carnival.

The St. Albert Lions Club community band, under the direction of Mr. R. H. Heuermann, and with the younger members performing were very good indeed, playing as the audience gathered for the carnival.

Dave Stewart, president of

the Kinsmen Club opened the Friday night show, and Elizabeth Mear of the Toastmistress Club was mistress of ceremonies. On Saturday evening the carnival was opened by the mayor and Mr. Dick Leggett was master of ceremonies.

Barbara Husband was coordinator, instructor Mary-Jean Henderson did the choreography, Maria Koedam was in charge of organization, Doreen Gare on publicity, the Duttall family did the sets, Mrs. C. Parth, Mrs. I. Tale and Mrs. D. Tomlinson were in charge of costumes and Florence Bittman of make-up. Everyone involved and assisting in the various committees was rewarded by the excellence of the show, and the community can look forward to further progress as our skaters improve each year under the leadership of the Figure Skating Club.

China Town was well represented in the 'Downtown 72' performances by a group of 13 young St. Albert skaters in authentic looking dress. A well-rehearsed Chinese-style bow concluded their routine.

Bicycle club holds Australian pursuit

St. Albert Bicycle Club promoted its first event of the season on Sunday afternoon. It was a handicap road race, more usually known as an Australian Pursuit, where the competitors are started in groups according to their ability.

Three groups were sent off at three minute intervals from the St. Albert Velh Scale into a gusty Northwest wind. They raced 14 1/2

miles against the wind before turning round for the easier run back.

The first group soon split up under the pressure and after 10 miles, only Greg Yarkie and Ed Butterworth of the St. Albert Bruin Inn team were left out on their own.

The second group broke up even sooner and Dave MacLure of Velo Sport Edmonton and Peter McCaffery,

Fraser Archibald and Lee Cameron of St. Albert Bruin Inn started to gain on the remnants of group one while the rest of group two was strung out like Monday's washing on the line.

The third group consisted of National Champion John Bryan of Georges Cycle, Marjan Kahlina and Ed Heacock of Alberta Cycle and Greg Sim of the Red Deer Cycling Club.

These four worked really well together and after 12 miles they caught McCaffery and MacLure who were now by themselves. By accelerating rapidly for several hundred yards, they dropped the two 'Macs' and set out to overtake the two remaining group one riders which they did 10 miles from the finish.

These four went on at the same relentless pace and Greg Sim was left with four miles to go. Then John Bryan started to pull away, but Kahlina and Heacock stayed with him.

At the finish, Marhan Kahlina just edged out Bryan

by half a wheel with Ed Heacock third 20 yards down.

RESULTS: 1) Marjan Kahlina, Alberta Cycle, 74 min. 16 sec. 2) John Bryan Georges Cycle, same time; 3) Ed Heacock, Alberta Cycle, 74 min. 17 sec.; 4) Greg Sim, Red Deer C.C. 77 min. 5) Ed Butterworth, St. Albert Bruin Inn, 78 min. 55 sec., 6) Greg Yarkie, St. Albert Bruin Inn, 78 min. 55 sec., 7) Peter McCaffery, St. Albert Bruin Inn, 79 min. 49 sec., 8) Dave MacLure, Velo Sport Edmonton, 79 min. 55 sec., 9) Lawrence McMullen, Alberta Cycle, 85 min. 26 sec., 10) Janus Kardos, Juventus C.C. (Calgary) 86 min. 43 sec.

TEAM: 1) Alberta Cycle; 2) St. Albert Bruin Inn. There was some confusion about the course due to lack of marshalls. The club would appreciate help with these races. If you are interested please phone Greg Peters at 599-7186.

After the race a good time was had by all the riders at Sir Arthur's Steak and Pizza House.

Blitz planned for Winnifred Stewart School for Retarded

Mr. and Mrs. Art Degner of Lacombe Park district are co-ordinating the May 3rd blitz in St. Albert to raise monies to supplement the financial needs of the Winnifred Stewart School for Retarded Children, for expansion and operation. They may be contacted at 599-6396.

The school states it is essential to reach their objective of \$50,000. They are now in a position where the original school building is beyond repair and must soon be replaced. All monies from the blitz which are over the operation costs will go into a building fund. The school does not receive monies from the Community Fund.

In addition to the new school another residence is needed to provide a permanent home for retarded children whose parents are deceased or disabled. No monies are spent for administration of the drive - all services and personnel's time and efforts are donated.

Every dollar raised from this canvas will be used directly for the Winnifred Stewart School and its expansion.

Official receipts will be issued and all donations are income tax deductible.

AROUND TOWN

A group of ladies from the St. Albert Senior Citizens club, while they may be over 60, are clearly keeping up with modern hosiery fashions. At the Thursday afternoon get-together in the community hall, they decided to be on deck for the 9:30 opening of Macleod's store Friday morning, and see if they could get in on the grand opening gift of panty hose. Sure enough manager Jack Pickett was delighted to oblige.

An elderly woman happened to drop into a museum which was showing abstract paintings.

"What does that represent?" she asked the guard. "That's the painter," he said.

"And that?" "The painter's wife." "Well," she concluded, "I hope they're not planning to have any children."

Dance swells fund for Simpson students trip to Laval

The dance held Friday evening in St. Albert Community Hall netted the parents "French Group" about \$250 for their continuing fund-raising campaign to send a group of students from Sir George Simpson school to Laval University, for a special French language course over six weeks this summer. Howard Stinson, Eileen Fleming and Bob Williams were in charge of the arrangements for the evening which the good crowd in attendance obviously enjoyed tremendously.

The dance profits bring the total amount raised by the parents group to date to approximately \$5,000.

Emcee Howard Stinson called on Ernie Jamison, Conservative MLA and his wife Shirley to draw the tickets for the draw prizes, and Shirley drew Liberal Leader Bob Russell's ticket to the great enjoyment of all. When it came time for Bob and Joanne Russell to draw the winning raffle tickets, Joanne helped return the compliment by drawing Wanda Prather for a beautiful big stuffed Moose prize.

Jim Wiltshire, chairman of the Protestant School Board and Mrs. Wiltshire were also called upon, and did the honors for a spot dance prize.

Mr. Atken Arsenian, the teacher from Simpson school who originated the plan to send the students to Laval was introduced to the crowd by Mr. Stinson. He was familiar with the course and was able to make arrangements for the St. Albert students to get in on the program, which had previously included only students.

The sponsoring parents' group report excellent co-operation from a group of merchants who provided prizes for the evening and an especially generous do-

nation worth \$70 by Emile Pelletier of the Purple Dade Door prizes were donated by Jim Byrne Men's Wear of Grandin Shoppers Park and Wintup Hair of Edmonton. Local business firms who provided spot dance prizes were Kaleidoscope Shop, Grandin Barbeshop and Beauty Parlor, Grandin Bowling, St. Albert Greenhouse, Imperial Lumber and Mowhawk Service.

Another April project - a bake sale netted the group \$35, and in May they are planning a sale of Indian handicrafts, done by native craftsmen in the Edmonton area. There will be displays of mukluks, wood carvings, bead work and other crafts.

The students who are going on the trip are also available anytime for babysitting and odd jobs, such as raking up lawns, washing windows and other spring clean-up work. Telephone 599-3606 if you could use one of these young people at your home.

AROUND TOWN

Ten days to go before Daylight Saving time in Alberta. April 30 is the happy day for all those people who have been pushing for those extra daylight hours - such as the local golfers.

Women of the Sturgeon General Hospital Auxiliary are putting on their annual Strawberry Tea on Sunday April 23, at the Community Hall. This annual event is well worth taking in for the delicious food, but there is also a door prize of \$25 cash this year. Bette Smithson is looking after advance ticket sales, which give indication of how many to prepare for, and these may be had by telephoning 599-5371. However tickets will also be available at the door on Sunday. The tea is on between 2 and 4 o'clock.

Mr. and Mrs. Tom Ferguson of St. Albert are pleased to announce the forthcoming marriage of their daughter Terri-Lynne to Constable Myles Tymchysyn son of Mr. and Mrs. Wm. Tymchysyn of St. Albert.

The wedding will take place May 6th at 1:30 p.m. in the St. Albert United Church.

Winner of the St. Albert Curling Club skidoo raffle was B. A. Kimenius, of 12213 - 125 Street in Edmonton. Manager Art McCormack reports the raffle was a most successful project.

The capacity crowd at the arena for Saturday's presentation of the carnival were unaware of it, but the 100 feet of very attractive and appropriate sets were in a shambles at 5:30 that afternoon. A call from Ramon Brunelle is the concession alerted co-ordinator Barb Husband that youngsters at the hockey game in the afternoon had torn off everything detachable, stomped on the sets and punched holes in them. A group of fathers went down with paint and staple guns and got them all in order for the 7:30 opening. The sets had been stored in readiness in the walkway opposite from the stands in the arena.

Ricky Hanneman relaxes at home as he waits the arrival of his friends for a going-away party last Friday evening, prior to leaving for Cornwallis by service aircraft Tuesday, where he will take his basic training with the Canada Armed Forces, Air Element.

St. Albert boy goes to Cornwallis for basic training

Karl and Peggy Hanneman entertained a few friends at their home on Salisbury avenue last Friday at a farewell get-together for their son Ricky, who left on Tuesday for Station Cornwallis, Nova Scotia.

Ricky, who will celebrate his 20th birthday on April 20, has been accepted into the Canada Armed Forces, Air Element, and will take his basic training at Station

Cornwallis. After three months there he will be sent to Camp Borden for his course.

Jim Englis, a longtime friend of the family from Beausejour Station, Manitoba, was a special guest at the party. Ricky had been at the home of Mr. Englis for two and one-half months, during which time he toured the station and had a thorough run-through of what his course will entail. Jim and Ricky returned to St. Albert together on April 8th.

Mr. Hanneman had been 22 years in the Airforce, retiring in February, 1968, and Ricky has always been interested in joining. He completed his schooling at Paul Kane High in St. Albert.

Twelve-year-old Gregg Young of 16 Grandville Ave., this year became the youngest boy in Alberta to obtain his senior badge in power skating from the Alberta Recreational Skating Association. Two years ago Gregg was the youngest skater in the Edmonton area ever to receive his junior badge. Gregg, who has been power skating for four years, is a grade 7 student at Sir George Simpson Junior High.

Power skating program

The power skating club in St. Albert has mushroomed since it was formed four years ago with about nine boys, using the open air rinks. Thirty-two boys registered in power skating the year the arena was opened and for the first class last year, there were 65. In January 1972 when the second session of the season began, there were 97 boys in power skating classes.

The St. Albert club has two boys, Lory Moore and Gregg Young who have completed and passed all the tests in the senior testing program, which is as far as they can go with ARSA tests. General skating improvement is the major aim of power skating, which comes under the Alberta Recreational Skating Association, and the program is open to anyone wishing to improve their skating skill.

However boys in the 6-15 age group find power skating classes are excellent for improving their hockey performance. They progress through a series of 11 tests, with badges awarded for each, from beginner to novice 2, and on to junior, intermediate and senior.

On March 29 the club hired judges from the ARSA and a total of 75 power skaters completed 121 tests, with a total of 111 badges

awarded for the 1972 session from January through March. Mr. Pat Lockert is power skating division head in the St. Albert skating club, having taken over from Barb Young who maintains a lively interest in the power skaters.

St. Albert residents who attended the figure skating carnival had enthusiastic applause for the demonstration put on by six of the power skaters, who presented an appropriate routine with the use of cones. Taking part were Gregg Young, Lory Moore, Bob Drysdale, Ronald Sander, Larry Sander and Donald Ouellette.

Power Kegs Blast Premier

President Lance Amon presents the Edmonton Valve and Fitting trophy to Captain Jim Drynan of the Calgary Power Kegs for winning the St. Albert Men's Commercial League. Power Kegs defeated Premier two straight in the best of three series.

Belcourt Construction Power Kegs blasted Premier Esso 10-0 last Wednesday to win the best of three finals in two straight games. The win gave the Power Kegs the Edmonton Valve and Fitting trophy for the St. Albert Men's Commercial League. Power Kegs won the opener 4-3.

In the final game Power Kegs dominated the game from start to finish. They jumped into a 3-0 lead in the first 10 minutes and led 4-0 at the end of the opening period. They added two more in the second and wrapped it up with four in the third.

Walt Bably led the way with three goals while Bill

Mills and Jim Glover added two each. Darryl Knox, Dick Peabody and Dave Kerr added the others. Knox also picked up four assists.

Gord McPherson recorded his first shut-out of the season, and looked sharp doing it.

The game was cleanly played with only seven minor penalties called.

Sturgeon, Men's Fastball

The first meeting of the Sturgeon Men's Fastball League was held Monday night in Spruce Grove with eight of last year's nine teams represented. The lone Edmonton team in the league withdrew.

Mike Hampel of the Grandin Esso team was elected president, succeeding Earl Nelson of Spruce Grove. The secretary and statistician job went to Larry Mitchell of St. Albert.

Lionel Rouault, Jack Dohndt and Alvin Logazar were named directors and

their first job will be to select an all-star team to play last year's champs, Spruce Grove Panthers. The game will probably be played in Calahoo and will get the season underway.

Teams represented at the meeting were St. Albert (3), Spruce Grove (2), Stony Plain, Calahoo and Villeneuve.

As soon as teams announce their practice schedules the Gazette will publish the dates.

The next league meeting will be held May 1st in Spruce Grove and any new teams wishing to enter are asked to be in the curling rink at 8 p.m. League entry fee is \$20.00.

Commercial All-Stars put up good game

Three of the Power Kegs who played a big role in winning the St. Albert Commercial League are all smiles as they hold the league trophy. Goalie Gord McDermott (left), recorded the shut-out while on the right Bill Mills and centre Darryl Knox supplied the scoring punch. Knox and Mills scored about 50 goals between them during the season.

With the Power Kegs winning the Edmonton Valve and Fitting trophy in eight straight games, the Commercial league decided to make use of their Thursday night ice time for an all-star game.

Five players were picked from each team in the A-B series and they played an entertaining game. The A

team was composed of players from St. Albert Esso, Premier Esso and National Life while Kinsmen Warlords, Power Kegs and Grandin Gulf were the B squad.

The lead changed hands numerous times with the A team emerging with a 10-9 win. The winners were led by Al Beauchamp, Dan Chugg

and Blair Pinder, while Darryl Knox had a hat trick for the losers. Larry Mitchell added a pair.

This will become an annual event and it did a lot to bring the players together and play the game as it should be.

Ken Pollon coached the B team, and Lorne Wood handled the A squad.

Barons Win-But They Lose

The heading sounds strange but that's exactly what happened in the third

and final game between the St. Albert Sportshop Barons and Leduc Riggers. The

game was played last Wednesday in Leduc and was attended by many St. Albert

fans who somehow managed to keep their cool and stay out of a riot that nearly occurred as a result of how the game ended.

With the score tied 5 - 5 the announcer called over the loud speaker that one minute remained in the game. No more than 30 seconds later Doug Ferguson scored for St. Albert. To give them a 6 - 5 lead with about 30 seconds to play. The St. Albert players needless to say were very happy and were congratulating one another UNTIL the referee went over to the time-keeper (from Leduc) to give him Ferguson's number as the goal scorer. It was at this time that all hell broke loose as the time-keeper advised the referee that the period was up and the goal could not be counted.

This was very strange as the time-keeper at no time pressed the buzzer signalling the end of the period. They have a very strange time clock set up in that when the clock runs out a buzzer goes on and then the time-keeper presses another button and a louder horn signals the end of play. The time-keeper claims he heard the first buzzer but somehow forgot to push the horn. Some of the St. Albert fans were sitting right behind the time-keeper's box and heard no buzzer.

In any event, after much arguing and a near riot, play was resumed in overtime. It was obvious that St. Albert's spirit was completely shot, and after six minutes of overtime, Leduc scored to win the juvenile division of the Edmonton Rural Hockey League.

Greg McRae and Doug Ferguson scored two each for the Barons while Jan Kristensen added the other.

It was a bad way to end the season but all in all the boys had an excellent year. Hats off to coaches Dave Mozil and Keith Switzer and the Sportshop who sponsored the team.

Darrell Stang with one shut-out and a two goal average, plus a volley of goals from Graham Brown, Brian Ferguson and Terry Weiss, the Warriors capped the championship for the first time. Top row, left to right: Coach Wendell Stang, Kelly Ratchinsky, Mark McLaughlin, Graham Brown (captain); Robert Stang, Robert Kowalczyk, Gordon Rasmussen, Gordon Hayward, Coach Geoff Brown. Front row: Terrance Weiss, Reid Jackson, Darrell Stang, Graeme Maltby (assistant); Mark Wylie, Brian Ferguson (missing) are Lonnie Eschak, Gerald and Jaime Klein.

Once there was an absent-minded farmer who stood in the middle of a large field with a piece of rope in his hand.

He couldn't remember whether he had lost a horse or found a piece of rope.

Hercules Soccer

The soccer season got under way last weekend when the pee-wee and bantam representative teams visited Sherwood Park last Saturday to play pre-season exhibition games. Despite a 20 to 30 m.p.h. wind blowing directly down the field during the whole game the Pee-wee Sabres won 14 - 0 while the Bantam Sabres won 9 - 1.

On Sunday evening the Bantam Sabres beat the Pee-wee Sabres 6 - 1.

Next Friday evening at Grandin the Bantam Sabres will kick off against the Killarney Bantams at 6 p.m. and on Saturday, April 22, the Bantam Sabres will kick off against the Midget Sabres at 2 p.m. Both are exhibition games and will be held on the Grandin field beside the swimming pool.

The schedules and team lists for the bantam, pee-wee, atom and mite local leagues, which start on May 1, are presently being circulated among the managers and coaches. All boys who have registered and have not been selected for the various representative "Sabre" teams have been assigned to one of the local league teams.

In answer to the many queries asking how boys are selected for the representative teams, the boys are first called out to a practice so that their ability can be

Standing, back row, left to right: Peter Johns, Ken Sim, Steve Hibert, Lory Moore, Brian Taschuk, Kevin McKendry, Doug Geres, Andrew Malby, Robert MacKinnon, Stephen Foreman, Doug Foreman (coach). assessed. A combination of displayed ability, recommendations from previous years and the number of positions available to make up a team are used to reduce the initial group, numbering up to 100, down to 15 or 20 from which the final selections are made by the coach usually after about three or four practices. Because of the time limit between registration, first of the boys and later the teams the selection could be influenced by no answer to a

phone call, inability to attend a practice, apparent lack of enthusiasm or poor performance during a practice. During the last few years that teams from St. Albert have played in the Edmonton Municipal Youth Soccer League, they have earned an excellent reputation for their sportsmanship, playing ability, appearance and conduct and the credit for these reputations is due to the untiring efforts of the organizers and coaches of Hercules Soccer over the past five or six years.

This year the number of

parents who have offered their services as coaches, drivers etc. is very much appreciated. We hope you really enjoy your participation in the sport.

We understand that a combined St. Albert High - Paul Kane School soccer team is being entered in the Edmonton School Soccer League this year and also that the London Society is sponsoring a senior team to be called the Nomads. We wish both teams a very successful season. Now everyone in St. Albert between 7 and 77 has the opportunity to play

Alberta Farm Producers Awarded \$161,000 Grant

The provincial government has already taken steps to meet its commitment to the farmers of Alberta. Agriculture Minister, the Honourable Dr. Hugh Horner, announces cabinet approval of \$161,000 in grants to encourage the expansion and marketing of Alberta farm products.

"The Alberta Sheep and Wool Commission will receive \$58,000 to encourage the expansion and improvement of the sheep and wool industry in the province. \$45,000 goes to the Alberta Hog Producers Marketing Board to improve export market opportunities for pork products.

"The Alberta Fresh Vegetable Commission is to receive \$22,000 for the improvement of marketing facilities for fresh vegetables and for the direct promotion of Alberta corn-on-the-cob.

"\$13,000 has been allotted to the Alberta Potato Commission to promote Alberta grown potatoes.

"The Alberta Egg and Poultry Marketing Board receives \$13,000 for the purpose of developing markets for eggs and egg products.

"The Alberta Vegetable Growers Marketing Board to assess market possibilities for processed vegetables.

"The Alberta Corn Committee is to receive \$4,500

to seek markets for quality corn production.

In announcing the grants, Agriculture Minister Horner said we must start our new marketing thrust with a philosophy we think will work. This philosophy is based on the idea that there are people in the world who will buy Alberta products.

"It is the job of the government to find them," Dr. Horner said. The agriculture minister added, "as stated in our platform we are going to do something about saving the family farm and increase the general economic levels of the Alberta farmer."

BON ACCORD NEWS

By Sadie Allen

The North Edmonton United Church Presbyterial will be held in the Bon Accord church on May 1st starting at 2 p.m. Everyone is welcome to attend. The United Church ladies group extended a cordial invitation to all newcomers who might wish to attend their meetings which are ordinarily held the afternoon of the first Wednesday of the month in the church.

Congratulations to Mr. and Mrs. Percy Stubbs on the occasion of their golden wedding anniversary. Friends and relatives attended a reception in their honor at the NuWest Hotel in Edmonton on April 18. Host and hostess were son-in-law and daughter, Craig and Gertrude Owens.

A last reminder of the Arts and Crafts show for Sunday afternoon, April 23 from 2:30 to 5. In addition to the display, there will be a musical interlude and Mr. Wayne Cameron, a member of the Canadian Forces, will show slides taken during his overseas service. Tea will be served. A special invitation is extended to the men to exhibit samples of their handwork. Articles for exhibition may be left at Lilian Carleton's anytime on Friday, April 21. Items should be tagged with the owner's name and the name of the craft. The community centre will be open between 10 and 11 on Sunday morning for those wishing to bring exhibits directly to the hall. Copies of Leaves of Yesterday - a Bon Accord History - will be on hand for anyone interested in purchasing one.

The Ladies Community Club held their meeting at the home of Mrs. Ella McCullough on April 12. Hostess prize was won by Jean Sloan. The sale of cook books has gone very well with only

a few remaining. Anyone interested contact Pat Reynolds. The club is very active and is a strong right arm to the community centre board having to date this year donated \$1,100 to the board.

The L.C.C. annual plant sale and sale of home baking will be held at the home of Alice Strawson on Saturday, May 20.

By Carl Rozen
GARDEN CLUBS:

Interest has been shown in 14 areas in forming a garden club, Coronado, Lamoureux, Riviere Qui Barre and Namao. Anyone interested in belonging to a garden club may contact me at 424-6276 or 256-3322 between 1 and 3 p.m. for more information. The clubs will probably work toward settling up a flower and vegetable show later on in the year or assisting members in entering established

shows. There is also the possibility of arranging guest speakers on subjects relating to the growing of plants.

SWIMMING:

There will be notices sent through the schools very shortly on the swimming program for this summer. The notice will include dates, times and locations the buses will leave for lessons, as well as the cost per child.

OUTDOOR EDUCATION COURSE

There is an Outdoor Education course being sponsored by the Provincial Government Recreation Branch from May 20 - 27 at the Alberta Outdoor Education Centre near Hinton. The course is aimed at teaching applicants to assist with recreational outdoor groups. There will be in-depth instruction in: overnight camping, back packing, camp skills, environmental studies, nature lore, orienteering, canoeing, hiking and natural science interpretation. This would be an excellent course to attend if you plan on assisting with outdoor classes this summer. Only the first 30 applicants will be accepted so if you are interested contact me quickly for details.

Farmers Union Opposes Hog Board Proposal

The National Farmers Union today announced it has written Mr. Stan Borg, chairman of Alberta's Hog Producer Marketing Board that the NFU is categorically opposed to the adoption by the Hog Board of a proposal to provide producers and shippers the option to identify on the sales tape shipments for the FOB points of Calgary, Lethbridge, and Fort McLeod.

Adoption of the proposal would, the NFU said, violate the principle that all producers should have equal opportunity to have all buyers bid on their hogs.

"The adoption of the proposal is obviously intended to accommodate the contractual requirements of vertically integrated feed and pork processors, such as the complex proposed by North American Integrated Food Processors in Southern Alberta, and is regarded as a transparent violation of orderly marketing, which the AHPMB was originally set up to achieve," said Bill Dascavich, NFU spokesman for Region 7.

Villeneuve 4-H Beef Club

By Jocelyne Durocher
The Villeneuve 4H Beef Club has been very busy in the past month. On March 18, the members treated their parents and the leader and his wife to an evening of bowling at the St. Albert Bowling Alley. It is nice to note that the high scorers were not especially the parents who bowl in the regular Villeneuve leagues.

On March 29 the club held its public speaking competition. Debbie Kremer placed first in the senior section with her speech entitled, "To Have and To Hold." Darrell Kremer and Valerie Durocher tied for second place. In the junior section, Gary Soetaert placed first with his speech entitled, "Thomas Edison, the Interesting Inventor." Philip Terrault placed second. Debbie went on to the county finals on April 10 where she tied for third place. Gary went on to the

junior county finals on April 14th.

Our thanks go out to the judges for our club speakers, Mrs. Mary Vida and Mr. Morley Brown. Thanks also to our timekeeper, Mr. Albert Lesburg and our chairman, Miss Colleen Sheehan.

Normand Rivard-Lorraine Brisson married in St. Emiles Church

St. Emile's Church at Legal was the scene of a beautiful spring wedding when Lorraine Brisson daughter of Mr. and Mrs. Roch Brisson was united in holy matrimony with Normand Rivard, son of Mr. and Mrs. Eddy Rivard, all from Legal. The nuptial mass was celebrated by Father Lucien

Tellier before an altar banked with baskets of spring flowers. George Belley, nephew of the bride was altar boy.

Soloists were Paulette Laplante and Lorraine Sabourin. Organist was Mrs. Wilfred Provencal.

The attractive bride with her glow of happiness was

given away in marriage by her father.

She was radiant in her floor length gown of ligoda featuring lace panels forming a bolero type bodice with a high neckline trimmed in gulfure lace, with bishop sleeves ending in lace trimmed veronese cuffs. Her cathedral train falling from the waist was trimmed with lace, the hemline edged in matching lace.

A cluster of hand-made beau de sole flowers tipped with simulated pearls held her three-tier nylon illusion veil accented with matching pearls.

She carried a sheaf of bronze roses and white carnations.

Bridesmaids Agnes Rivard, Marlene Belley and Corinne Bergevin wore identical mint and yellow floral floor length gowns with empire waist accented with ribbon streamers. The gowns were fashioned with long cuffed sleeves, high neckline with a sheer bib insert outlined with a ruffie. They carried nosegays of white carnations centred by bronze roses.

Best men were Darcy Brisson, Daniel Rivard and Jimmy Montpetit. Petite Linda Brisson niece of the bride, was flowergirl and Michael Brisson nephew of the bride, was ringbearer. Ushers were Ernest Brisson and Raymond Rivard.

For her daughter's wedding, Mrs. Brisson chose a floor length gown in apricot peau de crepe, featuring a high neckline, a soft trumpet sleeve and a slightly raised waistline all edged in gulfure lace in the same shade of apricot. A corsage of white roses and with bone accessories complimented her ensemble.

For her son's wedding, Mrs. Rivard wore a floor length gown in aqua peau dange featuring a V-neckline, long cuffed sleeves, with the A-line skirt enhanced with quilted stem flowers embroidered with gold thread and beads and gold accessories. She wore red roses encorstage.

A banquet for some 250 guests was held at the Community Centre with Walter Van De Walle as master of ceremonies. Sister Laura Rivard, aunt of the groom,

Father-Son banquet ends Legal hockey

On Friday evening some 200 fathers and sons gathered at Legal Community Hall for the seventh annual minor hockey father and son banquet.

After grace said by Father Tellier, and a delicious turkey supper, tension began to mount as the presentation of awards grew nearer.

Rene Maurier, master of ceremonies got the ball rolling by introducing the head table which consisted of Father Tellier, his Worship the Mayor, Leon St. Martin, chairman of the recreation board Leonard Forcade, sports directors, Pete Van Brabant and Claude Maurier, and Deputy Grand Knight, Richard Maurier. The coaches were then asked to introduce their players. A special round of applause went out to young Pat Quaghebeur of the mite "A", who during regular season play made a total of 169 points.

Walter Van de Walle, speaking on behalf of the coaches, thanked all parties concerned and also gave his sympathies to all Montreal Canadian fans! Denis Nault addressed everyone on behalf of the players. He had some very interesting ideas on what made a good hockey team. He also suggested that now that hockey was finished, the coaches and managers let their wives have a night out while they stayed home to babysit. Roland Prefontaine who spoke on behalf of the parents also thanked the mothers for their participation.

The awards were then presented to top scorer and most valuable player of each team by the various sponsor. The captains of each

said grade before the meal.

Mr. Gustave Meunier proposed a toast to the bride followed by songs rendered by Roch Belley and Anne-Marie Douzleach.

Another 250 people gathered in the evening for the dance and refreshments.

Out of town guests came from Halifax, Yegreville, Jossard, Edmonton, McLennan, Swan Hills.

For her honeymoon to Victoria the bride donned a pink fortrel cape/sleeve vest and dress ensemble with white accessories. The couple will reside in Edmonton.

bant gave a hearty thanks to the ladies of the kitchen and the sponsors of the trophies, drawing the evening to a close.

team presented their coach and manager with a plaque of appreciation. Claude Maurier and Pete Van Brabant

Mite champions in the Legal-Sturgeon minor hockey league: Norbert Quaghebeur, manager and Coach Maurice Pelletier are seen in back row, with Real Garneau, Danny Pelletier, Claude Laforce, Ricky Rouillon, Murray Pawluk, Dwayne Halis, Kevin Montpetit and Patrick Quaghebeur in the middle row. On Monday, April 10 the Lions held a very successful meeting when Gibbons hosted St. Albert members. The Gibbons Lions will be going to Josephburg for a visit in the near future.

Legal mites have very fine season

The Legal Mite A team played a total of 36 games this season, winning the league trophy. The last game was played against Vimy in Morinville with Legal defeating Vimy by a score of 9 - 1. Patrick Quaghebeur scored 120 goals and 58 assists for a total of 187 points, and Danny Pelletier had 72 goals and 56 assists for a total of 128. Patrick received the trophy for the top scorer and Danny for the most valuable player.

With good team work and goalie Ricky Rouillon doing a fine job the team had no trouble winning in the league, and in games played against Edmonton and St. Albert Mite A teams.

The annual Cancer crusade donation drive in Morinville will begin this week, by a group of local ladies under the sponsorship of the Morinville United Church. Give what you can... but give... please... A cordial smile and warm welcome is the least these volunteers can expect from each citizen of this community.

On Saturday, April 15 the Morinville Curling Club executive hosted a very successful Sportsman supper and social, at which time the draws for a number of cash prizes were drawn. Among those lucky to receive \$25 cash awards were: Pat Henry Casavant, Jack Dussault of Vimy, Joe Podgurney, Robert Cox, Alphonse Kremer of Edmonton, Wilfrid Leblanc, Edmonton, Garth Myers, Morinville Auto Court. The three last ticket holders split the jackpot, with the Beaver Girls of Edmonton; Napoleon Champagne of Morinville and Roland Prefontaine of Legal, sharing the \$325 prize. Ralph Gaetz was in charge of the ticket sale and draw, assisted by Norman Meunier.

The Kremers' of Morinville received a phone call from Paris, France on Saturday, April 8, announcing them the death of their aunt, Madame A. Oger, the last surviving sister of their mother, the late Madame Mathilda Kremer, who died in Charville (Paris) France at 92 years of age. Gaston and Joelle Kremer had the pleasure to see her again last year, while travelling through Europe and visiting relatives.

Closer to home, two former residents of the district passed away in Edmonton recently. On April 9 Cele-

MORINVILLE MEMOS

of Morinville, died after a brief illness. Funeral services were held last week at the Immaculate Conception Church, and interment followed in the Holy Cross cemetery. He is survived by his widow, Helene, two brothers, Alphonse and Elphège of Edmonton; two sisters, Mrs. Noel Teillie of Legal, and Mrs. Georges Teillier of Edmonton. He was the oldest son of the late Mr. and Mrs. Louis Caouette of Morinville.

On Sunday April 16 Emile Comeau, 51, only son of Mr. and Mrs. Felix Comeau of Edmonton, formerly of Villeneuve, passed away after a long illness. He is survived by his parents, at home and also one sister Ida, and another sister, Mrs. Colin Ross, formerly of St. Albert. Funeral services are on Thursday, at St. Joachim, and his remains will be entombed in the Edmonton mausoleum.

On Monday, April 17 Mrs. Jeannette Sylvestre left by plane for Germany, where she will visit with her daughter Mrs. Armande Anderson and family.

Some of our local world travellers are coming home with the birds from the south. Andre Lavallee returned last week from winter stay in Australia. Mr. and Mrs. Vincent Curtis are home again after a winter in the warm sunshine of Texas, Arizona and Mexico.

Ed Kryskow underwent major surgery last week in Edmonton. Melvin Hittinger is also reported a patient in hospital.

Last Saturday the executive and directors of the Pembina Federal P.C. Association held a meeting in Morinville with some 25 officials present.
